

The background of the slide is a light gray gradient with several realistic water droplets of various sizes scattered across it. The droplets have highlights and shadows, giving them a three-dimensional appearance. The word "POLLUTION" is centered in the upper half of the slide in a large, bold, black, sans-serif font.

POLLUTION

POLLUTION IS ONE OF THE BIGGEST PROBLEMS FACED BY THE WORLD NOWADAYS. IT IS AN UNDESIRABLE CHANGE IN THE PHYSICAL,CHEMICAL AND BIOLOGICAL CHARACTERISTICS OF OUR AIR,LAND AND WATER WHICH HARMS HUMANS LIFE

WATER POLLUTION

- AS WE ALL KNOW THAT WATER IS THE MOST IMPORTANT ELEMENT OF ALL SORTS OF LIFE ON EARTH. WATER IS USED FOR DRINKING, WASHING, HOUSEHOLD WORKS, IRRIGATION, INDUSTRIAL WORKS ETC. AS WE HAVE MISUSED AND POLLUTED THE WATER WE ARE NOW FACING SHORTAGE OF WATER. WHEN THE AMOUNT OF FOREIGN UNDESIRABLE SUBSTANCES ARE ADDED TO THE WATER BEYOND ITS SELF PURIFYING CAPACITY IT GETS POLLUTED AND IT HARMS HUMAN AND AQUATIC LIFE BOTH .

SOURCES OF WATER POLLUTION

- THERE ARE MANY SOURCES OF WATER POLLUTION THEY ARE AS FOLLOWS:-
- INDUSTRIAL SOURCES (INDUSTRIAL WASTE,DUST,SMOKE,CHEMICALS,TEXTILES,PAPERS)
- URBAN SOURCES (SEWAGES,MUNICIPAL,AND DOMESTIC GARBAGES,AUTOMOBILES EXHAUSTS)
- AGRICULTURAL SOURCES (PESTICIDES,INSECTICIDES,HERBICIDES)
- CULTURAL SOURCES
- HOWEVER THERE ARE SOME NATURAL SOURCES AS WELL LIKE EROSION,LANDSLIDES,DECAY AND DECOMPOSITION OF PLANTS ETC.

DIESEASES CAUSED BY WATER POLLUTION

- DIARRHOEA
- TRACHOMA
- INTESTINAL WORMS
- HEPATITIS
- CHOLERA ETC

CONCLUSION

- RECENT WORLD BANK AND WORLD HEALTH ORGANISATION DATA SHOWS THAT ABOUT ONE FOURTH OF COMMUNICABLE DISEASES IN INDIA ARE WATER BORNE. APART FROM RIVERS, TANKS, PONDS, ETC ARE ALSO POLLUTED BY DIFFERENT ACTIVITIES OF MAN. ONE OF THE BIGGEST AND SACRED RIVER 'GANGA' IS CONSIDERED AS MOST POLLUTED RIVER. WE ALL SHOULD TRY TO PREVENT WATER POLLUTION AS MUCH AS WE CAN BY NOT DISPOSING WASTE MATERIALS IN WATER SOURCES AND BY USING PREVENTION METHODS FOR WATER POLLUTION. SO THAT ALL LIFE'S IN EARTH CAN LIVE A SAFE AND HEALTHY LIFE.

The background features a light gray gradient with several realistic water droplets of various sizes scattered in the corners. The droplets have highlights and shadows, giving them a three-dimensional appearance. In the center, there is a faint, circular watermark consisting of concentric lines.

THANK YOU
