

## **2<sup>nd</sup> year Arts/Commerce/Science 2024-2026**

All the second year students must perform well in the First Terminal Examination 2025.

The College management and the staff have decided to bifurcate the students based on their performances of first Terminal Examination 2025 into three to four categories mainly good, average and the poor students. The attendance will also be considered for the same. The poor performers have to call their parents.

You have been reminded regularly in the class regarding your attendance. It is mandatory to have 75% attendance for getting promotion for filling the Examination form of Intermediate Annual Board Examination 2026.

The District Educational Officer (DEO) Ranchi reminded the importance of attendance during the inspection of College on July 19, 2025. He warned to those who were having poor attendance. He also asked the management and the teachers not to promote the students who have not fulfilled the obligation of attendance of 75%.

The defaulters will not get the promotion and have to repeat in the same class.

You are requested to be serious in the academic life. Don't regret afterwards.
